3rd Annual MOMC – Spring Walleye Classic

Rules & Regulations

1. All participants agree to accept **ALL** decisions made by a three judge panel. Panel consists of: Capt. Dave Rybicki (Reel Lucky), Capt. Scott D'Eath (Contender) and Capt. Ron Welsch (Sundown).
2. All boats must pass inspection, prior to tournament start. Boats will be inspected in the water, at the Detroit Yacht Club, from 5:00 – 6:15am. After inspection, the captain **IS** required to sign in for their crew, with the MOMC inspector, and pick up your fish tags. Teams **NOT** signed in or have **NOT** tagged their fish, will **NOT** be eligible to register their catch.
3. Shotgun start at 6:30am from DYC. Fishing hours are from tournament start until 12:30pm, April 18th, 2010. All captains must be in line **AT** the official MOMC Weigh Station (DYC), no later than 1:00pm, with your five (5) tagged heaviest fish. Late arrivals will **NOT** be eligible to register their fish. **NO EXCEPTIONS.**
4. All fish must be caught between 6:30am and 12:30pm on April 18th, in order to be eligible. Your fish must be fresh and tagged with the tags provided during inspection, in order to be entered. (Alive and breathing would be helpful!!) The three judge panel will determine the freshness of all fish turned in.
5. Only one (1) angler limit of five (**5**) walleye will count towards your team's official registered catch. Culling **IS** permitted during fishing hours. Walleye must be 15" or longer to be eligible, in the interest of conservation & preservation.
6. All waters of the Detroit River are open for fishing, during the M.O.M.C. Spring Walleye Classic. Specific boundaries are waters West of the Lake St Clair 35ft Racon Light, and North of the Green D33 Channel Marker at the mouth of Lake Erie. (Yes – Sturgeon Hole is open to fishing!!!)
7. The amount of cash prize is dependent on the total number of entries, minus the total expense of the derby. The heaviest registered catch wins the grand prize. Pay outs for 1st, 2nd, & 3rd places will be awarded. The heaviest single walleye will be used as tie breaker for heaviest registered catch.
8. The Calcutta for the largest single walleye will be determined by WEIGHT. Tie breaker for the Calcutta will be determined by the longest length of the heaviest walleye.
9. Only legal means of angling may be used to harvest walleye, as identified by the MDNR & OMNR.
10. The tournament committee reserves the right to inspect and/or dissect any walleye which is suspected to have been fraudulently enhanced, by any method. Enhanced fish **WILL** result in immediate team disqualification, and loss of all entry fees.
11. **ALL** tournament participants must conduct themselves in an appropriate sportsmanlike manner, so as to bring a favorable impression on the MOMC & DYC. Failure to do so could result in disqualification from the tournament.
12. Protests must be written, signed and presented by the Team Captain, along with a \$100 "No BS" retainer. Protests received must be submitted no later than 15 minutes after closing of the scales. Retainer will be returned **IF** the protest is found to be valid. Otherwise, retainer becomes property of the MOMC general fund.
13. Any tournament participants found in violation of the above rules can be disqualified from the tournament.

NOTES:

MOMC Derby Control will monitor VHF – Channel 80.

Participants **ARE** allowed to have their legal limit of walleye, per angler, in possession. Please keep these separate from the five (5) fish you plan to enter.

All registered walleye will be fin clipped, after being weighed, to prevent trade offs.

In keeping with an era gone by, we believe and you agree, to accept all liability for everything concerning you. Your crew accepts liability for themselves and the organizers accept responsibilities for nothing.

Thanks for participating and good luck fishing!!!
