Special Olympics Charity Derby

21st Annual Special Olympics Muskie Derby

We had a great turnout for the 2016 Special Olympics Muskie Derby benefiting the Grosse Pointe Harper Woods Community Chapter of the Special Olympics. The weather was great, the fishing was intense, and the athletes stole the show. We started out with a shotgun start out of the GPYC at 8 am. The ride was nice a easy as the 2 mph S winds made for slick travel. We had 40 boats this year and approximately 260 attendees for this special day. In the 60 yrs of this club we have organized this event for 21 straight years. We want to thank the DYC, DAC, LC, and our host the GPYC for all of their support to this cause.

The fishing was very good as we called in our fish for the Roy Obrien Ford Tiger Ticket giveaway. We had all boats landing fish throughout the day. Fish were being caught even when the wind died to a halt and the sky was high. Golden Rod fish were being added by our weigh masters Randy Carron and Dale Hoelfeldt throughout the day. The peak of the day was from 10:20 to 10:40 am as 22 fish were called in. We estimate that 5.9 fish were caught per boat throughout the day. With 83 call in fish registered, we estimated our fleet caught a total of 249 muskie throughout the day. Great job fishermen and thank you Dale and Randy! Many of our Tiger Ticket winners donated them to our athletes and we thank you.

As we entered the banquet room at the GPYC, sun tans and smiles lead the festivities. We raffled off a shotgun. We raffled a Grizzly Cooler with the MOMC 60th anniversary logo on the lid. Vic Cretu won the Ameriprise Financial Coleman Roadtrip Grill and Terry Lapper won the deep fryer. Paul Bennitt won the Steiner binoculars donated by Mike's Marine. The prize of the day, the golden rod 55" Smart TV by Sony was won by one of our athletes, Evan Popkie! Ameriprise Financial also awarded T-Shirts and hats to all the athletes including a 60yr MOMC medal. Thank you to our Prime sponsors for their donations.

As we went through the awards dinner we took time to honor Tom Jeanette. Tom was one of the original captains who helped start the event some 21 years ago for the MOMC. Tom's wife Nancy and her daughter and granddaughter were present to accept a 60 yr MOMC medal in memory of Tom. She told us how he loved the club and this event. He was mad he was too sick to fish in 2015 before he passed in December. Thank you Jeanette Family for being our guests.

Thank you to the athletes who joined us; Evan Popkie, Dez Peoples, Ryan Sandles, Steven Kujawski, Chloe Fox, Megan Wiley, and Laura Casey. Thank you to the Beck and Kujawski families for helping so much!

We ended the event with our big fish awards, they went at follows:

1st place Off the Hook – Capt Chuck Dill – sponsored by Mac n Mac/Rockwell caught by Caleb! 53 ½"

2nd place Big Fish – Capt Tom Loy – sponsored by DAC Girls Rod and Gun 51 ½"

3rd place Rockit – Capt Paul Bennitt – sponsored by Lamako and ANB Masonry 51 ½"

Athlete Angler of the year – Ryan Sandles – Capt Dale Hohlfieldt – Mardi Gras 51"

Thank you all who participated!

True Trophy Release Program

In 1994, the MOMC Board of Directors, in an effort to provide more information to MOMC members, instituted the “True Trophy Release Program.” This program tabulates information on muskies entered, to help determine the number of muskies released by MOMC members. All MOMC members are encouraged to participate, with honest, accurate information.

Rules for this program are simple.

- a) Any muskie over 28 pounds, successfully released, may be submitted.
- b) MOMC members must submit entry within 15 days of the release.

Entry forms may be copied from the directory or use a page with the necessary info clearly written. MOMC recognition will be given in the yearbook.

The first year of the program brought in some sixty muskies of “True Trophy” size, among 30 MOMC members which contributed to the program. The muskie entered here are a good reflection of the number of serious MOMC members who practice Catch and Release.

This year, we would like to invite you to share your “fish tales” on the new MOMC facebook page. Just go to facebook and type in, “Michigan Ontario Muskie CLUB” and tell us about your great day. Thanks to all the members who participated this past year. Your contribution towards this directory is greatly appreciated by the MOMC Board of Directors and the anglers which learn from your accounts.

Note: You may have noticed some of the TTR fish registered, were larger than some of the Monthly Derby muskies registered. Many of our members fish for first place only. The important thing to remember, is the TTR Program is intended for informational purposes only, so the information will be published in chronological order. Not weight, length, girth, etc.

Good Luck to all MOMC Muskie Fishermen!
