Joe Pierce Memorial Derby

Summer is coming to a close and so are the monthly M.O.M.C. derby's, as the weather changes and the lake goes through its transition period, fishing seems to slow down a bit, and it really showed this past weekend, with only 1 fish being brought to the scale.

However, there were a few nice fish caught on Saturday morning, but they were released by the captains being it was so early in the derby and they thought they would be beat out, those fish happened to be a pair of 33 pounders.

Kaleb Schreck (Just Dewin It)

Ken Valley Memorial & John Mullett

Big Dog Derby's.

What a way to end the tournament portion of the M.O.M.C. season, with plenty of Big fish being caught, the weather was like June weather, the weeds were down and the fish were biting, the weigh station was at the historic Detroit Yacht Club, what more could one ask for? How about a real nice fish to run! Well 6 lucky captains and their teams got to do just that on Saturday. How about two hogs that were over 39 lbs to start off with, all the fish that came to the scale this weekend were brought in on Saturday to visit Richard.

M.O.M.C. TRAILER

The M.O.M.C. trailer is getting old and needs some work both on the inside and out. To help finance the work that needs to be done, the Board of Directors will be selling sponsorships to be placed on the front, sides and back of the trailer with vinyl lettering.

Advertise your business, your Charter service, or just help out and put your Boat name.

The prices will depend on the size of your advertisement and lettering; tell us what you would like and we will be able to give you a price.

If you want to get your own lettering made you can do that also, and then, just buy a spot on the trailer to place it.

Mark your calendars.
