23rd Annual Special Olympics Charity Derby

On June 19th 2018 39 boats headed out on Lake St. Clair to raise awareness for the Grosse Pointe Harper Woods Community Chapter of Special Olympics and Sports Inc. A recent cold front blew in earlier in the week but fortunately the winds calmed and we ended up with a great day to chase Lake St. Clair's most sought after fish!

10th Annual Musk-E-Meet

OPERATION MUSK-E-MEET

The 10th Annual MOMC Musk-E-Meet is in the books. Sunday August 26th proved to be the right day for 18 boats to hit Lake St Clair to raise money and awareness for the Family Relief Fund at Selfridge Airbase. It was very hot day with tough afternoon bite, but it was still a great time on the water with members from our armed services. We had some great action and a lot of fun as the winds picked up to offer a refreshing break from the heat. We focused the MOMC resources to help our active duty soldiers and veterans. We hit our goals in the fund raising department and we showed Americas finest a nice day on our lake. We do want to thank our prime sponsors Marysville Ethanol, Florence Cerement, and lafrate Construction. We had many more boat sponsors and raffle sponsors that supported this event.

We could not have put together this event without the help of the committee and the MOMC Board of Directors. Thank you David Calcaterra and Dave Clark for keeping the event going! Thank you MOMC President Brad Smith for being the MC and for Corrine Skinner and Kurt Nowicki for doing the raffles.

Michigan Ontario Muskie Club

True Trophy Release Program

In 1994, the MOMC Board of Directors, in an effort to provide more information to MOMC members, instituted the “True Trophy Release Program.” This program tabulates information on muskies entered, to help determine the number of muskies released by MOMC members. All MOMC members are encouraged to participate, with honest, accurate information.

Rules for this program are simple.

- a) Any muskie over 28 pounds, successfully released, may be submitted.
- b) MOMC members must submit entry within 15 days of the release.

Entry forms may be copied from the directory or use a page with the necessary info clearly written. MOMC recognition will be given in the yearbook.

The first year of the program brought in some sixty muskies of “True Trophy” size, among 30 MOMC members which contributed to the program. The muskie entered here are a good reflection of the number of serious MOMC members who practice Catch and Release.

This year, we would like to invite you to share your “fish tales” on the new MOMC facebook page. Just go to facebook and type in, “Michigan Ontario Muskie CLUB” and tell us about your great day. Thanks to all the members who participated this past year. Your contribution towards this directory is greatly appreciated by the MOMC Board of Directors and the anglers which learn from your accounts.

Note: You may have noticed some of the TTR fish registered, were larger than some of the Monthly Derby muskies registered. Many of our members fish for first place only. The important thing to remember, is the TTR Program is intended for informational purposes only, so the information will be published in chronological order. Not weight, length, girth, etc.

Good Luck to all MOMC Muskie Fishermen!
